

SIGG Bottles now available at Future Families

No chemical leaching!
No plastic taste!

Research has now shown that plastic bottles when repeatedly re-used for drinking leach cancer forming chemicals into the water.

Swiss made SIGG bottles are 'quality for a lifetime'. With an aluminum cover and non toxic epoxy resin coating inner that is guaranteed not to leach and is taste neutral. They are leak-proof, light weight and extremely durable—and at the end of their life—recyclable!

Kid's bottles come in an amazing range of designs.
Available in 300 ml 400 ml 600 ml

Adult's bottles come in a variety of colours.
Available in 600 ml 750 ml 1 lt

Members prices way below RRP! **Great for gifts!**
Available at Fun Days or via order.
